Community Habilitation

ANIBIC's Community Habilitation Program provides one-to-one training in the home for Queens residents, ages 5 and up, who are Waiver-eligible and who have Medicaid Service Coordination. Program goals are geared towards building up skills that are intrinsic to community independence. Goals can include, but are not limited to, cooking, money management and community safety. ANIBIC can interview candidates that family has identified as potential Community Habilitation specialists.

If you have any questions, or wish to receive an application, contact our Intake Coordinator, Peter Coleman, at 347-594-2147.
